4. Conditions of balance transfer

- You can transfer any outstanding amount up to the value of your available Members Equity MasterCard limit less \$100.
- Delays in processing your balance transfer may occur. You must continue to make payments on your other credit card until you receive a statement for that card which confirms that the account has been credited.
- Members Equity will not close your other credit card account. If you wish to close your other account you will need to arrange this with the other financial institution.
- Members Equity is not responsible for any overdue payment or interest incurred on your other credit card account.
- Members Equity reserves the right to refuse your application for balance transfer (e.g. if your account is overdue or over limit amongst other things).
- There is no interest free period for balance transfers. Interest is charged daily from the date of the transfer.
