ME Bank opens new branch at Knox in outer Melbourne

The expansion of the ME Bank Branch network continues with the opening of the Bank's sixth branch at Knox City Shopping Centre in Wantirna South, Melbourne.

Located at Shop 2115, at the very busy entrance to Kmart, the new branch is known as Knox Branch.

The Knox Shopping Centre is home to more than 320 retailers housed in two distinct precincts - Knox City and Knox O-Zone for dining and entertainment. Knox Shopping Centre is also central to a transport interchange hub.

Vicki Beard, National Manager, ME Bank Branch Banking, said Knox was a well established centre servicing many of the Bank's existing members and stakeholders in the outer eastern suburbs of Melbourne.

"The remarkable growth of our member base in Victoria among members of super funds and the unions has prompted ME Bank's decision to expand its branch network in Melbourne to provide members with greater choice on how they do their banking," she said

"The presence of branches will re-enforce to our members, the commitment of the bank to provide high quality banking services and to supplement our existing workplace distribution channels."

The branch is colourful and welcoming in its presentation, supporting our passion and dedication to providing an exceptional customer experience with ME Bank.

All existing products and services are available including deposit accounts, home loans, personal loans and credit cards.

Customers can deposit cheques and purchase bank cheques from their accounts.

Financial Planning and Business Banking specialists are also available for consultation by appointment.

Knox Branch trading hours are Monday to Friday from 9am to 5pm and Saturdays from 9am to 1pm.
